

30-Double-Days  
Umwelt & Klima Live-Show

## TERMS AND CONDITIONS EDUCATION FOR THE PLANET

30-Double-Days, an initiative of like-minded companies and organizations, starts a competition as a support to our live show series in the area „Schools & Universities“. With our project we want to support the international students and involve students more intensively on the topics of environmental and climate protection. Here the contest participants are asked to support our project „30-Double-Days“ by to actively support promotional activities. Every school or university that would like to participate in our competition, will receive an affiliate link to a separate landing page (subdomain) for schools and universities, which they use as a promotion- tool can use.

The task of the school/university is to inform people about to inform our live show series (over 30 days) and to make them available for the live show-series as a viewer.

The community action is supported by the Citizen Circle - Safe Earth® and its partners and is only valid in Germany, Austria, and Switzerland.
